

FOR KITCHENS

“Espalier by Sherwin-Williams is a deep, bright kelly green that makes it feel like it’s always springtime in your kitchen. It looks incredible with brass accents and natural wood accessories. For a fresh, clean and modern vibe, pair it with a white backsplash and counters. For even more drama, look for the perfect tone of green marble.” – Meghan Carter

FOR BATHROOMS

“Ammonite by Farrow & Ball is a lovely, soft neutral – a pale grey with a touch of warmth. It sets a serene tone in the room and pairs well with nearly every type of tile.” – Sophie Burke
